Renault KADJAR

October 2020

5 YEAR
WARRANTY
100,000 MILES

An athletic appearance

An SUV through and through, the Renault KADJAR proudly sports its adventurous look and powerful design. Evidencing its authentic personality, its chrome-finish grille surrounded by LED lights* really make KADJAR stand out. At the rear, fog lights keep watch: dust, mist, drizzle, nothing will stop you. Featuring new front and rear skid plates, the 19" alloy wheels^ are ready to take up any kind of terrain. Its shark fin antenna† on the roof combines perfect aerodynamics and unique style.

On-board comfort

Explore every detail of your KADJAR's interior comfort. With its contemporary environment, perfect ergonomic design, new upholstery and chrome-finish trim, you'll enjoy every moment you spend inside it. Comfortably installed behind the wheel, you'll be ready to appreciate the most demanding of roads. The restyled dashboard, the back-lit central console and numerous redesigned details will make you want to embrace adventure in a whole new way.

Ready for all discoveries

Renault KADJAR excels on the most improbable terrain. With its raised ground clearance, chrome finish side protection fittings and front and rear skid plates, it will take on challenging terrain just as easily as it does your everyday journeys. KADJAR will offer you comfort regardless of the road ahead.

Adaptive instinct

You'll also find plenty of spaces inside your Renault KADJAR. By simply folding down the rear bench seat*, in the flat position you'll enjoy substantial loading volume that is easy-to-use when the floor of the boot is in the raised position. Mountain bikes, rucksacks, hiking equipment and accessories letting you take on life. And your passengers will be spoiled: the large cup holders in the front, together with the air-conditioning vents and USB ports in the rear* will change the whole travel experience for them. And as the driver, you'll be nicely cradled in your heated adjustable seat** with sliding armrests, ready to enjoy the most demanding of roads. Yes to adventure – but with everything you need to enjoy it to the full!

Efficiency without compromise

The engines powering the Renault KADJAR are advanced, reliable and efficient. Fitted with the Stop & Start system with regenerative braking, they include a host of technologies (downsizing, friction reduction, latest-generation injection systems) that elevate them to exemplary levels of performance and consumption, all without sacrificing your driving pleasure.

TCe 140 **Flexibility and control**

Flexible and responsive, this petrol engine delivers power with its turbo function and economy with low fuel consumption.

EDC dual-clutch gearbox **Comfort, moderate** **consumption and technology**

This 7-speed automatic dual-clutch gearbox offers smooth, jerk-free gear changes. Dynamic and responsive, the EDC responds instantly to the slightest driver input. In terms of economy, its fuel consumption is similar to that of a mechanical gearbox.

The world at your fingertips

Integrated into the new central console, the R-LINK2[^] multimedia system's 7" touchscreen is ergonomically-designed and intuitive. When connected, R-LINK 2 gives you access to a wide range of services such as TomTom[™] Traffic* so you get the latest traffic information in real time. With Android Auto^{™**} and Apple CarPlay^{™**}, easily access your smartphone's driving-compatible apps directly from the R-LINK 2 screen. With the MY Renault^{**} application connected to your R-LINK 2, take advantage of smart services wherever you are and at any time (to find where you've parked your Renault KADJAR, for example!). R-LINK 2 optimises the on-board experience and delivers a fluid, simple and customised multimedia experience.

*For a limited period.

[^]Available from Iconic

** Compatibility: An Android phone running Android 5.0 (Lollipop), an iPhone no earlier than iPhone 5 & iOS7.1. Connecting a smartphone to access Android Auto[™] and Apple CarPlay[™] should only be done when the vehicle is safely parked. Drivers should only use the system when it is safe to do so and in compliance with the requirements of The Highway Code. Drivers should be aware of the potential of hands-free technology to distract a driver's attention from the road, preventing them from having full control of the vehicle.

Controlled trajectories

To make sure that you have as much control as possible during each and every one of your adventures, 2 cameras, 12 sensors and a radar keep a constant watch on your movements. The speed alert system with traffic sign recognition* system helps you adapt your driving to road sign data captured by the camera. A visual alert is shown on your dashboard and suggests saving it as the value for the speed limiter.

The Lane Departure Warning[^] will let you know when you have strayed across a continuous broken line without indicating.

Renault Services

5 Year Warranty

Your Renault car is covered by a warranty package for up to 5 years from date of first registration with unlimited mileage during the first 24 months, then limited to a total of 100,000 miles or 5 years, whichever comes first. Your Renault Dealer is able to repair or replace without charge, parts that are found to have a material or assembly defect that is recognised by Renault. The paintwork warranty runs for 3 years and the anti-corrosion warranty for 12 years^o.

3 Year Roadside Assistance

Should you need it, we'll provide emergency roadside repairs or tow you to the nearest Renault Dealer. This service is available 24 hours a day and is provided for 36 months from the date of first registration (unlimited mileage for first 24 months, then limited to a total of 60,000 miles or 3 years, whichever comes first). Assistance is provided within the UK & Northern Ireland only at roadside, home and includes national recovery and onward travel. Renault Assistance applies to mechanical or electrical defects which are covered by warranty.

For Renault Assistance Terms and Conditions please visit www.renault.co.uk/assistance

EasyLife Service Plan

Renault's EasyLife Service Plan is the ultimate package to provide care free servicing for the first 3 years or 30,000 miles (whichever is sooner). It really is the hassle free way to take care of our Renault and benefits from;

- Inflation Proof Servicing - You know exactly what you'll pay and there are no hidden costs
- Peace of Mind - No matter where life takes you, we'll be there in over 5000 workshops across Europe
- Renault Expertise & Quality - Our highly trained technicians know your Renault inside out

The EasyLife Service Plan contains Renault services in-line with the manufacturer's service schedule, plus comes with a complimentary vehicle health check to ensure your Renault is in the best condition possible.

EasyLife servicing and warranty enhancements also available. Refer to the Price Guide for more details.

One off* and monthly** payment options available.

Finance options***

There are a wide variety of ways in which the purchase of a new vehicle can be financed. Renault Finance offers all of them, so whether you're a fleet buyer or private buyer, Renault Finance is ideally placed to tell you which plan or combination of plans best suits your needs and circumstances.

Renault car insurance¹

A car as well designed as your Renault deserves an insurance policy to match. Renault Insurance has been specifically created to provide superb protection for you and your car. Unlike most other UK insurers, in the event of an accident, Renault Insurance will have your Renault repaired at a Renault Approved Bodyshop using only Renault approved parts and approved repair methods. This maintains your Renault's safety rating, protects its resale value and preserves its Renault warranty^o. Renault Insurance also offers a courtesy car for the duration of a repair at a Renault Approved Bodyshop.
