New

RENAULT Passion for life

Renault MEGANE

Hatch and Sport Tourer

The new rules for elegance

New Renault MEGANE's distinctive modern design oozes style. At the front, smooth curves are backlit by characteristic C-shaped daytime running lights and new Full LED Pure Vision headlights, which improve night-time visibility. The chrome grille is paired with a redesigned front bumper. Dynamic rear indicators, a refined sculpted rear bumper and new alloy wheel designs enhance the elegance of New MEGANE, which is now available in a brand new exterior colour: Copper

Interior quality

The interior fittings on New MEGANE combine elegant design with the latest technology. The high-quality materials are a pleasure to touch, including the chrome surrounds on the main controls. Get comfortable in the contemporary cabin with features such as automatic dual zone climate control as standard, as well as 8 different ambient light settings. The 9.3" EASY LINK multimedia screen and its customisable MULTI-SENSE driving system, along with the customisable 10.2" digital driver display with navigation mirroring, puts a world of new technology at your fingertips.*

*Some features only available on certain versions

The sporty R.S. Line

In R.S. Line specification, New MEGANE shows off its sporty side, boasting stylish 17" R.S. Line alloys and an F1 inspired blade built into the honeycomb front bumper. At the rear, a dynamic pair of exhaust pipes are nestled in the rear diffuser, rounded off with the iconic R.S. Line badge on the hatch.

R.S. Line – sportiness embodied

The cabin design on New MEGANE R.S. Line oozes sportiness with a perforated leather* steering wheel adorned with the R.S. double diamond combined with quality brushed aluminium pedals. Body-hugging seats have been trimmed in dynamic Alcantara upholstery with contrast stitching. We have paid attention to every detail with a carbon effect finish on the instrument panel and red accents throughout.

^{*}Bovine-sourced leather.

Sport Tourer elegance

Combining an elegant silhouette with a muscular stance, and a high-tech cockpit with sophisticated interior detailing, New MEGANE Sport Tourer is imposing in its design. With its harmonious lines, new chrome front grille, stylish alloy wheels, and emblematic C-shaped daytime running lights, this is a thoroughly modern looking car. Full LED headlights round off a distinctive look. Whether for business or personal use, New MEGANE Sport Tourer will win you over as it is versatile, practical, easy to manoeuvre and comfortable to drive.

E-TECH Plug-in Hybrid – Uncompromising design

With New MEGANE E-TECH Plug-in Hybrid*, you can discover a new electric driving experience with low CO₂ emissions and fuel consumption, whether it's in urban use or on longer journeys. A few subtle extras feature on the exterior to denote the E-TECH powertrain, including E-TECH badging to the B-pillar and boot-lid, wheel centre caps circled in blue and a charging flap on the right side of the vehicle. Similarly, inside there's E-TECH badging by the gear lever and EV-specific button on the centre console.

*E-TECH Plug-in Hybrid: available from launch on Sport Tourer version and at a later date on the Hatchback.

E-TECH Plug-in Hybrid, electric on demand

The E-TECH Plug-in Hybrid powertrain in the MEGANE Sport Tourer produces 160hp from its 1.6-litre petrol engine. Meanwhile impressive torque of 349Nm comes from the engine and electric motor working together, delivering keen responses in combination with impressive fuel economy. Enjoy day-to-day zero-emissions-inuse driving with an all-electric range of up to 30 miles. Charge every day at home, work or at one of the thousands of public charging points**, for the opportunity to undertake the majority of journeys in full-electric. With only 30g per km of CO₂ (WLTP), both private drivers and business users of the New MEGANE E-TECH Plug-in Hybrid can significantly reduce their emissions, along with their running costs.

^{*} E-TECH Plug-in Hybrid: available from launch on Sport Tourer version and at a later date on the Hatchback.

^{**} Recharge your battery from just three hours (Wallbox or public terminal).

UK spec may vary

E-TECH Plug-in Hybrid – Naturally versatile

The MEGANE E-TECH Plug-in Hybrid* offers brilliant flexibility. Offering an average of 30 miles of electric-only range, use it like a fullelectric-car for zero-emissions-in-use day-today trips reducing running costs. For occasional long journeys, the electric motors and the petrol engine work together, so the vehicle is always in the optimal mode to maximise fuel economy. With technology derived from our experience in Formula 1[®], the E-TECH Plug-in Hybrid powertrain will capture energy through regenerative braking to help recharge your battery, and this increases when you select the B Mode on the gear selector. For added reassurance and peace of mind, the traction battery comes with not only Renault's decade-long experience producing full-electric Z.E. vehicles, but also an 8 year/100,000 mile warranty**.

^{*} E-TECH Plug-in Hybrid: available from launch on Sport Tourer version and at a later date on the Hatchback.

^{**8} year/100,000-mile traction battery warranty (whichever reached first). For full Warranty Terms and Conditions please click here.

Adaptability and comfort

The New MEGANE Sport Tourer offers a commodious boot of up to 563 litres on the petrol and diesel powered versions, whilst the E-TECH Plug-in Hybrid offers up to 447 litres. Transport even the bulkiest objects thanks to the Easy Fold System which allows you to fold down the rear seats in a single movement, and the flat boot floor.

Customise your driving experience

The Renault MULTI-SENSE system offers you a personalised driving experience. Depending on how you're feeling, you can choose between the eight lighting moods and four modes* available: Eco to reduce fuel consumption and CO_2 emissions; Comfort for relaxed and flexible driving; Sport to liven up your drive and My Sense to customise your settings to you personal preferences.

With EASY LINK and its connected navigation system**, you only need to send your destination from your smartphone to your vehicle for it to suggest the best door-to-door options for your journey. Does your journey end on foot? MY Renault will also suggest the best routes for those last few metres. Can't remember where you parked your car? MY Renault will find it and guide you there.

^{*}Easy to access via the new EASY LINK interface or from the shortcut on the central console.

^{**} Navigation is mirrored on the 10.2" TFT Drivers Information Display

Guaranteed safety for greater peace of mind

New MEGANE gives you innovative driving assistance for peace of mind on your journeys. The digital screen on the instrument panel or the head-up display makes all the driving information available to you.

- 1. Highway and Traffic Jam Assist. This semi-automated driving technology will truly assist you when driving. Thanks to adaptive cruise control, available from 99 mph, New MEGANE keeps you in your lane, manages your speed and keeps you a safe distance from the vehicle in front, even bringing you to a complete stop if necessary. It starts automatically within three seconds, without you lifting a finger.
- **2. Fatigue detection system.** This function analyses your behaviour from movements on the steering wheel and warns you when it detects signs of drowsiness. The alert will recommend you take a break via a message on the driver's digital screen.

- **3. Pedestrian Automatic Emergency Braking.** You can trust New MEGANE. Need to slam on the brakes? What if a pedestrian steps out in front of you? New MEGANE warns you and activates emergency braking if you do not react.
- **4. Easy Park Assist.** Using sensors located on the front and sides of New MEGANE, this system scans the space available for you to park and performs the manoeuvre for you. It can also help you exit your parking space; all you have to do is ask.

Actual real world driving results may vary depending on factors such as weather conditions, driving styles, vehicle load or any accessories fitted after registration. †Renault UK Limited does not offer tax advice and recommends that all Company Car Drivers consult their own accountant with regards to their particular tax position. Benefit in kind figures from 6th April 2020.

EASYLIFE SERVICE PLAN

3 Years / 30,000 miles

4 Years / 40,000 miles

One off* and monthly** payment options available

*The EasyLife Service Plan offer is available for all retail vehicles and valid at participating dealers only or Renault.co.uk and can be purchased up to 12 months after registration or before the first service (whichever is sooner). Vehicles must be ordered between 01 October 2020 and 31 December and registered by 30 March 2021. **The EasyLife Service Plan is available for eligible retail vehicles on a 36 or 48 monthly payment option and are only available at point of signing a finance agreement provided by Renault Finance. Rivers Office Park, Denham Way, Rickmansworth, WD3 9YS. Guarantees and indemnities may be required. You must be a UK resident (excluding the Channel Islands) and over the 18 to apply for finance. Terms & Conditions apply.

The Renault Service plan covers the manufacturer's minimum maintenance programme requirements for the term of the Service Plan purchased (refer to the Warranty and Service sheet in the Handover Document wallet for details). The plan ends when you reach the age or mileage limit (whichever comes first). Services must be carried out in line with the manufacturer's minimum maintenance programme requirements and servicing intervals within +/-1 month or 1,000 miles of the service interval and can only be carried out at a Renault Approved outlet. Service plans do not cover wear and tear items such as (but not limited to) tyres, wiper blades or brakes. For Service plan full Terms & Conditions visit www.renault.co.uk/owners. Cannot be part exchanged, refunded or transferred. All prices quoted are MRRP.

Service Intervals

18,000 miles or 1 year whichever is sooner

(1) On MEGANE Sport Tourer. (2) WLTP (Worldwide Harmonized Light Vehicle Test Procedures): this new protocol provides results much closer to those found in daily use compared to the NEDC protocol. (3) Fuel consumption and CO₂ emissions are certified using a standard, regulated method. It is identical for all manufacturers and allows vehicles to be compared. (4) Certification in progress. Actual fuel and AdBlue® consumption depends on vehicle use, equipment, the user's driving style and loading.

(1) On MEGANE Sport Tourer. (2) WLTP (Worldwide Harmonized Light Vehicle Test Procedures): this new protocol provides results much closer to those found in daily use compared to the NEDC protocol. (3) Fuel consumption and CO₂ emissions are certified using a standard, regulated method. It is identical for all manufacturers and allows vehicles to be compared. (4) Certification in progress. Actual fuel and AdBlue® consumption depends on vehicle use, equipment, the user's driving style and loading.

Accessories

Personalisation

You can personalise your vehicle inside and out, thanks to our range of accessories designed exclusively for New MEGANE.

- 1. Holiday pack roof bars and roof box (480L). Enjoy additional space by equipping your New MEGANE with QuickFix roof bars. They can be used in conjunction with our roof box, providing you with additional space for your needs when going on holiday.
- **2. Boot sill protector.** Protect from any knocks or scratches when you load your boot, thanks to the stainless steel boot sill protector.
- **3.** Adaptable Easyflex protection. Non-slip and waterproof, it is essential for protecting the boot of your vehicle and carrying bulky or dirty loads. It folds and unfolds very easily, adapting to the position of the rear seats.
- **4. Induction charger.** No matter how long your journey, stay connected with the integrated induction smartphone charger.
- **5. Protective film.** Protect your vehicle against everyday nicks thanks to transparent protection film. Minor dents, scratches or even repeated friction are no longer an issue. The full pack is only available on Iconic version. Individual films can be added to R.S. Line.

For more information, consult the New MEGANE accessories brochure. For prices, please refer to Renault Car Price Guide.

Quality

"From creation in our design studios through to production and finally distribution via our network, striving for quality is what quides us."

Laurens van den Acker – Senior Vice President of Renault Corporate Design

Ever more stringent quality inspections

In our plants in Palencia, quality inspections use state-of-the-art techniques:

- lasers to check bodywork geometry,
- cameras to test anti-corrosion and gravel coatings,
- sophisticated methods of radar control on driving assistance functions.

Ever more stringent tests

All are vehicles are subjected to a battery of tests that simulates customer use over 5 years/80,000 km. But with All-New MEGANE, we go even further: 25 E-TECH Plug-in models are going to be made available to 100 different drivers for 17 weeks!

Renault DP World F1® Team technology for all

As a pioneering electric mobility expert, Renault has given All-New MEGANE a 160-horsepower E-TECH Plug-in hybrid engine, which is technology straight from the Renault DP World F1® Team.

Developed by the Renault engineering team, it is covered by more than 150 patents and has a new generation 1.6 litre four-cylinder petrol engine, paired with two electric motors and a clutch-free gearbox that optimises gear shifts.

An unrivalled driving experience

The result of the Renault DP World F1® Team's experience, the E-TECH Plug-in Hybrid version has also inherited innovative solutions that guarantee excellent energy returns and maximum efficiency in electric, not to mention unrivalled driving pleasure.

Access to new connectivity

Staying true to its nature, All-New MEGANE draws on the latest generation technology to bring you an even more enjoyable driving experience:

- the new Renault EASY LINK connected system that gives access to multimedia, navigation and infotainment services (compatible with Android Auto™ and Apple CarPlay™),
- a new 9.3" customisable screen (direct access to your favourite functions and apps),
- the MULTI-SENSE system for personalised driving.

Access to new mobility tools

- The MY Renault smartphone app lets you interface with your vehicle remotely.
- The Renault Easy Connect range gives you access to a huge array of applications, platforms and connected services to make your daily life easier.

These different tools can be found in the "Techno Cockpit" and will guarantee your comfort, safety and connectivity.

Renault Services

5 Years Warranty

Your Renault car is covered by a warranty package for up to 5 years from date of first registration with unlimited mileage during the first 24 months, then limited to a total of 100,000 miles or 5 years, whichever comes first. Your Renault Dealer is able to repair or replace without charge, parts that are found to have a material or assembly defect that is recognised by Renault. The paintwork warranty runs for 3 years and the anti-corrosion warranty for 12 years°.

3 Years Roadside Assistance

Should you need it, we'll provide emergency roadside repairs or tow you to the nearest Renault Dealer. This service is available 24 hours a day and is provided for 36 months from the date of first registration (unlimited mileage for first 24 months, then limited to a total of 60,000 miles or 3 years, whichever comes first). Assistance is provided within the UK & Northern Ireland only at roadside, home and includes national recovery and onward travel. Renault Assistance applies to mechanical or electrical defects which are covered by warranty.

For Renault Assistance Terms and Conditions please visit www.renault.co.uk/assistance

EasyLife Service Plan

Renault's EasyLife Service Plan is the ultimate package to provide care free servicing for the first 3 years or 30,000 miles (which ever is sooner). It really is the hassle free way to take care of our Renault and benefits from;

- Inflation Proof Servicing You know exactly what you'll pay and there are no hidden costs
- Peace of Mind No matter where life takes you, we'll be there in over 5000 workshops across Europe
- Renault Expertise & Quality Our highly trained technicians know your Renault inside out

The EasyLife Service Plan contains Renault services in-line with the manufacturer's service schedule, plus comes with a complimentary vehicle health check to ensure your Renault is in the best condition possible.

EasyLife servicing and warranty enhancements also available. Refer to the Price Guide for more details.

One off* and monthly** payment options available.

Finance options***

There are a wide variety of ways in which the purchase of a new vehicle can be financed. Renault Finance offers all of them, so whether you're a fleet buyer or private buyer, Renault Finance is ideally placed to tell you which plan or combination of plans best suits your needs and circumstances.

Renault car insurance¹

A car as well designed as your Renault deserves an insurance policy to match. Renault Insurance has been specifically created to provide superb protection for you and your car. Unlike most other UK insurers, in the event of an accident, Renault Insurance will have your Renault repaired at a Renault Approved Bodyshop using only Renault approved parts and approved repair methods. This maintains your Renault's safety rating, protects its resale value and preserves its Renault warranty^. Renault Insurance also offers a courtesy car for the duration of a repair at a Renault Approved Bodyshop.

Renault car insurance:

0330 102 7794†
