4th October 2022

**SIMPLY  
RUGGED**

# MORE DUSTER THAN EVER

Nothing can stop it. Now, more than ever, New Duster is the authentic SUV. Its iconic style, its assertive design and the new Dusty Khaki and Urban Grey bodywork colours enhance its adventurous character. The new grille sports the new Y-shaped brand lighting signature. The headlights feature Eco-LED technology<sup>(1)</sup> and increase your safety by illuminating the road with even greater efficiency. The restyled

rear spoiler, helps reduce CO<sub>2</sub> emissions while enhancing the bodywork's dynamic appeal. The 16" or 17" alloy wheels<sup>(2)</sup> add the touch of getting away from it all, which is exclusive to Duster. Everything you need to set off on a great discovery and brave the elements with complete peace of mind, now with automatic windscreen wipers<sup>(2)</sup>.

# OVERCOME OBSTACLES

Feel free: New Duster takes you wherever you want to go with complete peace of mind. With its robust chassis, high ground clearance and off-road capabilities in the 4-wheel drive version, it makes light work of rough terrain and uneven surfaces. Hill Start Assist allows you to tackle the steepest of slopes;

Hill Descent Control\* prevents any skidding by controlling the speed of your Duster. The 4x4 Monitor feature with built-in compass and altimeter makes sure you always have the right information at the right time. Simply adjust the knob\* to switch to four wheel drive and enjoy your adventure playground!

# URBAN ADVENTURER

# CONFIRMED CITY DWELLER

Because adventure begins at the corner of your street, New Duster is just as at home in the city. With its electrical power-assisted steering, blind spot warning and brand new EDC automatic gearbox<sup>(1)</sup>, driving has never been so smooth. New Duster offers the choice of petrol, diesel or Bi-Fuel petrol / LPG powertrains. The aerodynamics have also been improved with wheel rims, cowlings and mobile flaps between the grille and the engine that improve its movement through the air. Everything has been redesigned, including automatic activation of the ECO innov LED headlights, an even more energy-efficient technology. The city is its territory, and its new auto-fold mirrors<sup>(2)</sup> help it blend even further into its surroundings.

NEW AUTOMATIC GEARBOX<sup>(1)</sup>

# A FULLY-EQUIPPED PASSENGER COMPARTMENT

Inside, comfort is also on the agenda the sliding central armrest offers additional storage space (almost 1.1 L). On the steering wheel, the backlit buttons are easier to identify. The dashboard accommodates a large 8-inch, semi-flush touch screen\*, as well as two USB ports. Two multimedia systems are now available to meet all individual needs: Media Display and its intuitive, user-friendly interface feature an 8-inch screen, four speakers, Bluetooth® connectivity and smartphone replication with a USB cable compatible with Android Auto™ and Apple CarPlay™.

Media Nav, meanwhile, comes with MAP CARE on-board navigation (Western or Eastern Europe maps + 6 free updates for 3 years on-board) and two additional speakers. In the back, passengers have two USB\* sockets for charging tablets and smartphones. Peace of mind on long journeys!

Android Auto™ is a trademark of Google Inc. Apple CarPlay™ is a trademark of Apple Inc.

# BOOT SPACE AND FULL OF IDEAS

You won't believe what you can take with you in New Duster. So don't hold back! Luggage, parcels, furniture... your SUV is always ready. The extremely modular layout lets you adapt the passenger compartment to your needs or desires: the loading capacity of the boot, the flexibility in using the

interior space (60/40 split fold rear bench seat, but all of the seats can be folded down) maximise your carrying options. The many storage spaces in the doors and on the backs of the front seats invite you to empty your pockets and enjoy freedom while driving!

# DRIVE IN COMPLETE SAFETY

True adventurers prioritise safety. And New Duster is no exception to this rule, offering features that let you drive with complete peace of mind, wherever you choose to go. A reinforced body structure, front and side airbags and the Isofix child seat mounting system make sure that everyone is protected.

## MULTIVIEW CAMERA

The MultiView Camera featured on Journey versions gives you more eyes! It provides front, rear and side views, helping you detect holes, rocks or obstacles that are not always easy to see, and making driving easier for you.

## HILL DESCENT CONTROL

Hill Descent Control maintains a slow and constant speed to prevent skidding in the 4x4 version.

## AUTOMATIC WINDSCREEN WIPERS

The rain sensor at the top of the windscreen automatically activates the windscreen wipers (featured on Journey versions).

(1) Petrol engines with particle filter (DPF): to reduce particle emissions, the new direct injection petrol engines now include a particle filter in the exhaust line. The filter removes particles in the exhaust gases, then burns them using automatic and very regular regeneration. The particle filter requires no maintenance. (2) The vehicle's starter and battery are adjusted for use with the Stop & Start system. (3) Official consumption and emissions according to applicable regulations. (4) Blue dCi Diesel engines: to reduce pollutant emissions, the new Blue dCi Diesel engines are equipped with a selective catalytic reduction device (SCR\*) operating with AdBlue® (a non-toxic solution, available at most service stations). This technology converts the nitrogen oxides from Diesel engines into harmless gases. Your vehicle reminds you when it is time to refill the AdBlue® tank. \*Selective catalytic reduction involves injecting ammonia (NH3) from the AdBlue® into the exhaust catalytic converter. The resulting chemical reaction transforms nitrogen oxides (NOx) into non-polluting gases (water vapour and harmless nitrogen). Actual fuel and AdBlue® consumption depends on vehicle use, equipment, the user's driving style and the load. (4) WLTP (Worldwide Harmonized Light Vehicle Test Procedures): this new protocol provides results much closer to those found in daily use compared to the NEDC protocol. Fuel consumption and CO<sub>2</sub> emissions are certified using a standard, regulated method. It is identical for all manufacturers and allows vehicles to be compared. (5) The payload indicated is for the lowest equipment level. (6) According to ISO standard 3832.

# NOW THAT'S THE DACIA SPIRIT!

At Dacia, we produce practical, reliable vehicles that offer the best value for money. Models with assertive style but no frills, fitted with the most reliable, tried-and-tested technologies... all at an unbeatable price. In fifteen years, we have changed the rules of the game and disrupted the car market. Unbelievable?

Not really. Our secret? A perfect blend of simplicity, transparency and accessibility. From the choice of model to price and maintenance, everything is clear and obvious with Dacia. Driving Dacia means being sure you've made the right choice.

## WE'VE GOT YOU COVERED

You might think our shockingly affordable prices mean our cars aren't made to last. Actually, the Dacia range is one tough cookie. To prove it, you get a 3-year\* warranty (or 60,000 miles, if you reach that first). This means we will replace any part which has been deemed by a Dacia approved dealer to be defective due to a manufacturing fault, free of charge. To keep the good times rolling, you can extend your warranty up to 7 years for a great price. We also give you a 2-year paintwork and 6-year anti-corrosion warranty, so you can kick back knowing that your Dacia will stay looking good-as-new for years to come.

### ROADSIDE ASSISTANCE

Although our cars are built for plain sailing, you can rely on us if you have a breakdown – 24/7 365, wherever you are in the UK or Northern Ireland. This offer also stands for the first 3 years/60,000 milesΔ after you buy your new Dacia.

### DACIA CAR INSURANCE 1

Dacia Insurance has been specifically created to provide superb protection for you and your car. Unlike most other UK insurers, in the event of an accident, your Dacia will be repaired at a Dacia Approved Bodyshop using only Dacia approved parts and approved repair methods. This maintains your Dacia's safety rating, protects its resale value and helps to maintain its Dacia warranty^Δ. Dacia Insurance also offers a courtesy car for the duration of a repair at a Dacia Approved Bodyshop.
